To Subscribers and Readers

Dear Fathers,
Dear Teachers, Parents, and Friends,

Little Falcons now reaches it's 20th year of publishing a small magazine, that has aimed in getting children and parents to read and grow together and learn about the church and culture. We hope it has brought attention to the Orthodox family in America and the importance of children's reading.

The magazine is geared to elementary age children, and is often used by teachers in the church school as a supplement. However, it is really intended for home use, to help parents read the articles with their children and encourage them to discuss how our faith interacts with our daily life

This year we have prepared an exciting number of issues for you to explore. This year's themes are: **Christmas, Seeds, Mothers/Fathers, The Way.**

One reviewer writes: "*Little Falcons* succeeds by being fun, educational, interesting, while teaching the traditional Orthodox piety. Parents, grandparents, older brothers and sisters, all will find themselves interested in all the "goodies" this magazine has to offer..."

Please subscribe today! Please urge your church school to sign up for a bulk subscription! Hop on our journey, so that we can share with you our Orthodox Faith and heritage during the coming year.

Yours in Christ,

Fr. Thomas Kazich
Editor
