

# CHURCH SCHOOL TEACHER'S NOTEBOOK

**Question:** *Want to prevent reprinting certain information year after year?*

**Answer:** Provide each Teacher/Grade with a Notebook containing relative information for teaching that particular grade, as well as general information about the Parish and Church School. Update each Notebook yearly. The Notebook remains with its specific grade and is passed on to whoever replaces the current teacher. The Director's Notebook contains the common elements. The Director maintains originals for all grade levels. The following is a suggested outline of materials.
