To Subscribers, Potential New Subscribers, Complimentary Subscribers

Dear Friends,

Who would have imagined that this year we would be welcoming children of our original subscribers of 1993? A whole new generation of readers for **Little Falcons** is out there excited to join our journey.

Most of the first 8-12 issues have been sold out. So for this reason we have chosen to revisit and rethink some of those core issues. We want our young and new readers to be grounded in our Faith. So the themes for this year are:

Blessed Water Healing Oil Good Wine Holy Liturgy

Our magazine has always been about getting children and their parents to read. Read about how their faith interacts with their life. Knowing that we are the only Orthodox Children's magazine in English makes us want all the more to provide you with the best materials for your children's religious education in the home.

Church Schools continue to support us because they also value the use of the theme approach in the classroom. And those bulk subscriptions are the kind of support we need. Thank you to all our subscribers who have helped us through these seventeen years of publishing.

I'm asking you now to please support again our work that serves so many Orthodox children. Please subscribe today! Please renew today! Please sign up a new subscriber or send a donation! Please urge your church school to sign up for a bulk suscription! Looking forward to sharing with you our Orthodox Faith during the coming year.

In Christ the Lord,

Fr. Thomas Kazich
Editor
