

MEMORY TEAM WORK

Here's a way to help our students work as a team to memorize prayers, hymns or Bible verses. Memorizing is more fun when there are other doing it with you and hopefully easier, too.

- o Write the prayer, hymn, Bible verse, etc. that the students are to memorize on the chalkboard.
- o Discuss its meaning and any unfamiliar words with the students.
- o Ask the students to read the prayer aloud in unison.
- o Erase one or two words (start with easy ones first), then have the students repeat the prayer, filling in the missing word(s) .
- o Continue erasing words then having the children recite the prayer together until the entire prayer has been erased—and memorized!
