

CHURCH SCHOOL VOLUNTEERS

The religious education of our children requires a partnership between all members of our community, for in many respects we are all teachers. For this reason we are asking all parents, grandparents, godparents, uncles and aunts to please take some time and let us know about your special gifts. You may have taken a trip to Greece or to the Holy Lands and have some excellent pictures to share with the class, or you may have experienced a miracle within your family and feel comfortable sharing it. Perhaps you can share your knowledge on religious topics such as Icons, Bible History or your Patron Saint. Let's not forget craft ideas, prosphora baking or koliva making, folk songs, Greek mythology, musical instruments and other cultural topics. In the case of our younger students, maybe you'd like to tell them some religious stories. The list is endless and nothing is insignificant. Please let us know. Your knowledge will benefit our children.

Thank you for taking time to fill out this form. We appreciate your time and interest.
