

A CRIB FOR PREGNANCY CARE

The following items are needed to prepare our crib for a newborn. They may be new or used. We are also collecting money to buy a mattress. Please consider donating to this worthy cause. The crib will be set up in the lower level of the church beginning this month. A collection box will be located in the crib for cash donations. Contact Phyllis Onest if you have any questions. Please write your family's name next to the item(s) you commit to donate.
